Dear Mr. Harold,

My best Wishes for you and your family on this Holiday Season,

I'm now retired from my places of buisness, I leased all of them.

I'm getting a recalection of all the facts and the memory of my knolage of the assinatson of the President Kennedy, After I get all these facts together I'll start writing a book in spanish.

I've been to New Orleans library and read all my testimony from the Warren Comission.

I hope one day I can show the American people the truth of this case.

Truely Yours
